## ARTICLE 6 ASSESSMENTS, FINES, AND LIEN FEES

Section 6.01 Annual and Special Assessments--Generally. The Association may assess Annual Assessments and Special Assessments against Members owning Lots, and each such Owner, by acceptance of a deed to such Owner's Lot, hereby agrees to pay to the Association all Annual Assessments and Special Assessments. No Assessments shall ever be levied or assessed against any Lots or Unplatted Land owned by the Developer. The Developer is exempt from the payment of any Assessments applicable to any Lots or other property that the Developer owns as of the date hereof, may own in the future, or to which the Developer may subsequently gain title.

Section 6.02 Determination of Annual Assessments and Special Assessments. "Annual Assessments" are hereby defined as those Assessments that are imposed and levied by the Board of Directors against each Lot in order to fund the payment of Common Expenses. The amount of the Annual Assessment for each Lot shall be determined by the Board of Directors by multiplying the Owner's Proportionate Share by the Common Expenses. "Special Assessments" are hereby defined as those Assessments that are imposed and levied by the Board of Directors against each Lot in order to fund capital improvements that are not otherwise included in the Common Expenses. All Assessments shall be used for the benefit of the Owners and occupants of the Subdivision as set forth herein. No Assessments of any kind shall be imposed or levied against Unplatted Land included within the Property and no Annual Assessments, Special Assessments or other assessment, levy or contribution demand shall be imposed or levied against any Lots owned by the Developer. The initial annual assessment shall be \$1,000.00 per Lot commencing January 31, 2006.

Section 6.03 Annual Assessments Payable by All Owners. The Board of Directors, in its sole discretion, shall establish Annual Assessments payable by all Owners (other than the Developer) based upon the estimated Common Expenses for the subsequent fiscal year of the Association. Until modified as provided herein, the Annual Assessments shall be in amounts as determined by the budgets established by the Board of Directors from time to time. The Annual Assessments shall be made by the Board of Directors on or before January 1<sup>st</sup> of each year and shall be due and payable on January 31<sup>st</sup> of each year. The Association reserves the right to provide for period installment payments of Annual Assessments in its discretion. If the Board of Directors fails to timely make any Annual Assessments for any fiscal year, the amount of such Annual Assessments for the year shall automatically be the same as the Annual Assessments for the immediately prior year. During the Developer Control Period, the Board of Directors may increase the Annual Assessments as such Board shall determine appropriate. After the expiration of the Developer Control Period, the Annual Assessments made by the Board of Directors may not exceed (a) one hundred and twenty percent (120%) of the Annual Assessments for the immediately preceding year without the approval of a majority of the Members present at a meeting duly called or (b) one hundred fifty percent (150%) of the Annual Assessments for the immediately preceding year without the approval of sixty-six and two-thirds percent (66 <sup>2</sup>/<sub>3</sub>%) of the Members present at a meeting duly called. The Board of Directors may, but shall have no obligation to, make pro rata refunds of any Annual Assessments in excess of the actual Common Expenses incurred in any fiscal year or may hold the same in reserve. The Annual Assessments are payable by all Owners

(other than the Developer). If an unimproved Lot is sold by the Developer to a person who is, or by such sale becomes, a Member, at closing the purchaser shall pay the Association the Annual Assessment for the Lot prorated on the number of days remaining in the year during which such purchase occurs less the prorated amount of such Annual Assessment for the Lot while owned by the Developer.

Section 6.04 Special Assessments Payable by All Owners. The Board of Directors may levy in any fiscal year one or more Special Assessments, payable by all Owners (other than the Developer) over any period as it determines, for the purpose of defraying, in whole or in part, the cost of any unexpected repair, renovation or replacement of improvements in the Common Area or for any other expenses incurred by the Association in fulfilling its obligations to all Owners under this Declaration or otherwise imposed upon the Association. In imposing any Special Assessment, the Board of Directors shall specifically refer to this Section 6.04. The Board of Directors shall promptly give the Owners written notice of the amount of all Special Assessments and the time for payment thereof. No payment of all or part of any Special Assessment shall be due less than thirty (30) days after such notice is given.

Section 6.05 Effect of Nonpayment: Liens. Any Annual Assessment or Special Assessment (individually, the "Delinquency" and, collectively, the "Delinquencies") that is not paid within thirty (30) days after its due date as established and specified by the Board of Directors shall be delinquent. Upon a Delinquency becoming delinquent, the Board of Directors, in its sole discretion, may take any or all of the following actions:

- (a) Assess a late charge for each Delinquency in an amount established by the Board of Directors;
- (b) Assess an interest charge from the date of delinquency at the highest interest rate allowed by law, or portion thereof until paid in full, or such other rate as the Board of Directors may establish, but in no event a rate that is usurious under Arkansas law;
- (c) Suspend the voting rights and other privileges of the Owner during any period of a Delinquency;
- (d) Accelerate all remaining Assessment installments so that unpaid Assessments and other Delinquencies shall be immediately due and payable;
- (e) Bring an action at law against any Owner personally obligated to pay the Delinquency;
- (f) File a statement of lien with respect to the Lot; and
- (g) Proceed with foreclosure of liens for the Delinquency.

A Delinquency shall constitute a lien on the Lot, including the Single Family Residence thereon and any other Improvements, and shall attach on the due date for the Assessment. After first giving the

applicable Owner of the Lot at least ten (10) days' written notice of the Delinquency and intent to assert a lien, the Association may evidence the lien by filing a certificate of lien with the Circuit Clerk and Ex-Officio Recorder for Washington County, Arkansas. The certificate of lien, which shall be signed and acknowledged by the President, any Vice President or the Secretary of the Association, or on behalf of the Association by any agent appointed by it, shall, at a minimum, set forth (i) the name and address of the Association, (ii) the amount of the Delinquency, (iii) the amount of accrued interest, penalty and other amounts due, (iv) the name of the Owner of the Lot and (v) the legal description of the Lot. Simultaneously with its filing thereof, the Association shall mail or cause to be mailed a copy of the certificate of lien to the Owner at the address of the Lot or to such other address as the Association has in its files for the Owner. At any time thirty (30) or more days after filing the certificate of lien, the Association may institute foreclosure proceedings against the affected Lot in the manner for foreclosing a deed of trust by private sale on real property under the laws of the State of Arkansas. Each Owner of a Lot by its acceptance of a deed thereto hereby consents to such foreclosure procedure and mechanism. In the event of any such foreclosure, the Owner shall be liable for the amount of all unpaid Delinquencies, all penalties and interest thereon, the cost and expenses of such proceedings, the cost and expenses for filing the notice of the claim and lien and, if allowed by law, all reasonable attorneys' fees and expenses incurred in connection with the enforcement of the lien. The Association shall have the power to bid on a Lot at foreclosure sale and to acquire and hold, lease, mortgage, and convey the same. All liens for Delinquencies shall continue for a period of five (5) years from the date of attachment and no longer, unless within such time suit is commenced to collect the Delinquency against persons personally liable for such amount or foreclosure proceedings are instituted. In such cases the lien shall continue until termination of the suit and sale of the Lot upon execution of any judgment obtained or until completion of foreclosure proceedings. The Association may bring suit against the Owner or any successor to recover unpaid Delinquencies any penalties and interest thereon, the cost and expenses of such proceedings and, if allowed by law, all reasonable attorneys' fees and expenses in connection therewith, without foreclosing or waiving the Delinquency lien provided in this Declaration.

Section 6.06 Personal Obligation. The amount of any Delinquency chargeable against any Lot shall be a personal and individual debt of the Owner of the Lot at the time the Assessment became due. No Owner may exempt himself from liability for the Delinquency by abandonment of his Lot or by waiver of the use or enjoyment of all, or any part of, the Common Area or the Restricted Common Areas. All successors to the fee simple title of a Lot shall be jointly and severally liable for all unpaid Delinquencies, interest, late charges, penalties, costs, expenses, and attorneys' fees against such Lot with the Owner who owned the Lot at the time the unpaid Delinquency first became due. Nothing contained herein shall prejudice any such successor's rights to recover from any prior Owner amounts paid by such successor. The liability of a successor shall not be personal and shall terminate upon termination of such successor's fee simple interest in the Lot.

Section 6.07 Priority of Lien. The lien for Delinquencies provided for in this Declaration shall be subordinate to (a) liens for real estate taxes and special governmental assessments and (b) Mortgages recorded prior to the due date for any such Delinquency. The lien for Delinquencies shall be superior to and prior to any homestead exemption provided now or in the future under the

laws of the State of Arkansas which all present and future Owners waive by taking title to Lots. Except as specifically set forth herein or provided by law, no sale or transfer of a Lot shall release it from the lien of any Delinquency. The amount of any extinguished lien for a Delinquency may, at the direction of the Board of Directors, be reallocated and assessed to all Lots as a Common Expense.

Section 6.08 Notification of Association's Address, Owner's Address. The Association shall notify each Owner, at their address listed with the Association, of the Association's address, and all changes thereto, where payments shall be made and other Association business may be conducted. Each Owner shall have the obligation of insuring that their most current mailing address in on-file with the Association for those notification and other purposes set forth herein.

Section 6.09 Pledge of Assessment Rights as Security. The Association shall have the power to pledge the right to exercise its assessment powers and rights as security for any obligations of the Association. Such power shall include the ability to make an assignment of Assessments then payable to, or which will become payable to, the Association, which assignment may be then presently effective but allows such Assessments to continue to be paid to the Association and used by it unless and until the Association shall default on its obligation secured by the assignment.

Section 6.10 Optional Developer Loans to Association. In the event that, at any time or from time to time, the Assessments, are not sufficient for the Association to pay all Common Expenses or otherwise permit the Association to perform its duties and obligations under this Declaration, the Developer may (but shall not be obligated to) make loans or advances to the Association to enable it to meet such deficiency or deficiencies in funding. Any such loan or advance made by the Developer to the Association shall bear simple interest at a per annum rate equal to the maximum rate allowed by Arkansas law. As soon as reasonably practicable, the Board of Directors shall increase the Assessments in amounts sufficient to pay off the principal and interest of such loans or advances made by the Developer to the Association.

## ARTICLE 7 ARCHITECTURAL CONTROL AND CONSTRUCTION STANDARDS

Section 7.01 Architectural Review Committee. An Architectural Review Committee, consisting of three (3) or more persons, shall be established to exercise the powers granted by this Article 7 (the "Architectural Review Committee"). At all times during the Developer Control Period, the Developer shall have the power to appoint all members of the Architectural Review Committee, who shall serve until they resign or are removed by the Developer. Upon the expiration of the Developer Control Period, the Board of Directors shall appoint the members of the Architectural Review Committee who shall serve terms of one (1) year or until their earlier resignation or removal by the Board of Directors. All decisions of the Architectural Review Committee shall be made by a majority of its members.

Section 7.02 Architectural Control. To preserve the harmony of the construction, location and exterior design and appearance of the Lots, the Single Family Residences and other Improvements on the Lots, (a) all Single Family Residences, buildings, walls, fences, structures and

other appurtenances or Improvements of any kind to be constructed or located on any Lot (collectively, the "Improvements"), (b) all additions, changes and alterations to any Improvement which impacts its exterior design or appearance and (c) all changes to the topography of any Lot (collectively, the "Proposed Construction"), shall be approved, in writing, by the Architectural Review Committee before such Proposed Construction is commenced. The Association shall have the right to seek injunctive or other remedies to halt any Proposed Construction that does not comply with the express provisions of this Article. Except as provided in Section 7.04 hereof, the Architectural Review Committee shall not approve any Proposed Construction that does not fully comply with the requirements hereof or where the exterior design or appearance (including exterior color) of the Proposed Construction is not, in the sole discretion of the Architectural Review Committee, in harmony with the existing Single Family Residences in the Subdivision, the topography and overall design and appearance of the Subdivision, the Developer's intended design and appearance of the Subdivision or otherwise detracts from the design and appearance of the Subdivision in the sole opinion of the Architectural Review Committee. The Architectural Review Committee also shall have the power and right to designate certain areas within the Property as Restricted Common Areas. The Initial Rules and Regulations shall constitute the initial architectural control rules and regulations that pertain to the Subdivision. The Architectural Review Committee shall have the right to modify said rules in their sole discretion.

Section 7.03 Application for Approval. The Owner shall apply, in writing, to the Architectural Review Committee for approval of all Proposed Construction. The application shall include plans, drawings, specifications and information (including all construction drawings and site plans) showing, as and if applicable, (a) the front, rear and side elevations, (b) proposed grading and drainage from the Lot, (c) floor plan with total square footage, (d) height of all Improvements, (e) exterior materials, (f) method of construction, (g) exterior color scheme, including samples, manufacturers name and product numbers, (h) landscaping and (i) all other information reasonably required by the Architectural Review Committee. The Architectural Review Committee may request additional information from an Owner at any time within thirty (30) days after its last receipt of information from the Owner or his or her representatives. The Architectural Review Committee may establish and publish such other rules and regulations regarding approval of Proposed Construction as the Architectural Review Committee determines are reasonable. If the Architectural Review Committee does not act upon an Owner's application within thirty (30) days after submission of all information required by the Architectural Review Committee, approval of the Proposed Construction as submitted shall be deemed to have been given and the requirements of this Section 7.03 fully satisfied.

Section 7.04 Modification of Requirements; Appeal of Architectural Review Committee Decision Except as specifically provided herein to the contrary, by unanimous decision, the Architectural Review Committee may, for good cause shown, waive any of the requirements set forth herein. Any waiver granted shall not be effective and may not be acted upon until eleven (11) days after the date on which the Architectural Review Committee renders its decision. The Owner submitting an application may appeal any decision of the Architectural Review Committee which denies that application for Proposed Construction. An Owner of any Lot may appeal any decision of the Architectural Review Committee which waives any of the requirements set forth herein. All appeals shall be to the full Board of Directors. All appeals to the Board of Directors shall be made

in writing and submitted to the Secretary of the Association within ten (10) days after the Architectural Review Committee renders its decision which is the subject of the appeal. If the Board of Directors does not act upon an appeal within sixty (60) days of it being timely submitted, the relief requested in the appeal shall be deemed granted. In deciding an appeal, the Board of Directors can take only such actions as the Architectural Review Committee was originally empowered to take. All decisions on appeals shall be made by a majority of the Board of Directors, acting in the sole discretion of the members of the Board, and shall be final and not subject to further appeal, including to the Owners, or subject to judicial review. Pending final decision on appeal, the waiver requested shall be held in abeyance and may not be acted upon.

## ARTICLE 8 USE RESTRICTIONS

To the extent that this restriction may be inconsistent with the regulations of the Federal Communications Commission (the "FCC"), as amended from time to time, this restriction shall be deemed modified to the extent necessary to comply with such FCC regulations and still provide such limitations as are consistent with the intent of this restriction.

Section 8.17 Holiday Decorations. Christmas and other holiday lights and decorations may be displayed on the exterior of a Single Family Residence on any Lot only during the period beginning forty-five (45) days prior to and ending twenty-one (21) days after such holiday and they must be removed at the expiration of such period. The method and means of installation of such lights and decorations shall be only as established or permitted by the Architectural Review Committee.

Section 8.18 Septic Tanks. Except for individual sewage holding tanks approved by the Developer or the Architectural Review Committee and contemplated by Section 9.01 hereof, no septic tanks or other individual sewage disposal system may be constructed on any Lot or elsewhere on the Property. Nothing herein, however, shall prevent the Developer, an improvement district or any other governmental or non-governmental entity from installing any form of decentralized wastewater collection and treatment center that might be allowed by applicable governmental regulation and regarding which the Architectural Review Committee shall approve.

Section 8.19 Storage Tanks. No tank for storage of oil, propane, liquefied gas or other product may be maintained in or adjacent to any Single Family Residence, garage or on any Lot, whether above or below the surface of the ground.

The Developer may erect or place "bill board" type signs related to the Subdivision on any Lot owned by it or on any Common Area or Restricted Common Areas.

Section 8.22 Nuisances. No activity shall be carried on in, on or from any Lot, Single Family Residence which is noxious or offensive or an annoyance or nuisance to the neighborhood. The Owner shall be responsible for all activity carried on in, on or from a Lot, a Single Family Residence whether or not the Owner is involved in, or has knowledge of, such activity.

Section 8.23 Animals. At no time shall pit bulls, animals with vicious propensities by breed, bees, cows, horses, swine, goats, sheep, poultry, other domesticated farm animals, undomesticated (wild) animals, exotic animals or animals requiring special permits from the State of Arkansas or United States of America be kept at any time in any Single Family Residence or on any Lot or in any Restricted Common Areas or the Common Area. Except as otherwise prohibited herein, dogs, cats and other household pets (i) may be kept in a Single Family Residence (provided such pets are not kept for breeding or other commercial purposes), and (ii) the keeping of such pets does not create any unsanitary condition. Doghouses or similar animal shelters shall be located, for a Single Family Residence, in the back yard, and, for both, shall only be of such size, design and materials as approved in advance by the Architectural Review Committee and painted the same color as the main structure. With respect to Single Family Residences only, runs, kennels or similar structures shall be permitted only with the approval of the Architectural Review Committee which may, in the Architectural Review Committee's sole discretion, impose requirements for such structures as to construction, design, materials, location and screening from view except under no circumstances shall runs, kennels or similar structures include chain link or other wire fencing.

Section 8.24 Occupancy: Repair. No Single Family Residence shall be occupied until it is fully completed, except for exterior painting and minor trim details. Section 8.25 Storage of Construction Materials. No building material of any kind or character shall be placed or stored on any Lot, the Common Area or the Restricted Common Areas

until the Owner thereof has received required approval from the Architectural Review Committee for the project and is ready to commence construction. All material permitted to be stored on a Lot shall be placed only within the property lines of the Lot or Lots upon which the approved Improvements are to be constructed or on portions of the Common Area or Restricted Common Areas approved in advance by the Architectural Review Committee.

Section 8.26 Landscaping Easement. Except as permitted by any plat of the Subdivision and the Architectural Review Committee or elsewhere herein, no Improvement or personal property of any Owner shall be located in any buffer strip shown on any plat affecting the Property or in any of the Restricted Common Areas or the Common Area.

Section 8.27 Maintenance of Lawns and Plantings. All lawns and plantings shall be maintained and kept in good condition. No Single Family Residence Owner shall permit grass to reach a height of six inches (6") or more or otherwise permit such Owner's lawn or plantings to create an unsightly appearance. If a Single Family Residence Owner fails to comply with this restriction, the Association may have such grass cut or otherwise correct such unsightly appearance and all costs thereof shall be assessed against and collected from such Single Family Residence Owner in the same manner as Assessments.

Section 8.28 Easements. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the plat or plats of the Subdivision or by separate recorded instruments. No structure, except driveways, paved areas and approved fences, may be placed or permitted to remain within any utility easement which interferes with the construction or reconstruction and the proper, safe and continuous maintenance of such utility easement. No structure, planting or other material shall be placed or permitted to remain on any drainage easements which (a) damages or interferes with the installation, use or maintenance of the easement, (b) changes the direction of flow of drainage channels in the easements, (c) obstructs or retards the flow of water through drainage channels or its collection in detention ponds or basins in the easements.

Section 8.29 No Subdividing. No Lot may be subdivided without the prior approval of the Architectural Review Committee and must comply with all other applicable rules and regulations.

Section 8.30 No Mining Activities. No portion of the Property shall be used, at any time, for mining, boring, quarrying, drilling, refining or other operations involving, or related to, the extraction or exploitation of any subsurface natural resource of any kind including oil, gas, coal or other hydrocarbon product. The prohibitions of this Section 8.23 may not, under any circumstances, be waived or amended by the Architectural Review Committee, the Board of Directors, the Owners or Members.

guests, tenants or invitees, at any time on any Lot or any other portion of the Subdivision or the Property, including the Common Area and the Restricted Common Areas.

Section 8.32 Enforcement by Architectural Review Committee The Architectural Review Committee, the Association and/or the Developer shall have the right to enforce the provisions hereof, and take all steps that they may deem necessary to cure any violations hereof, including the obtaining of injunctive relief to prevent any Owner from violating the provisions hereof and the performing of repair, upkeep and curative work at the cost and expense of the subject Owner. All costs of enforcement repair, upkeep or other curative work shall become the financial responsibility of the subject Owner and, if not promptly paid by said Owner, said costs will be deemed and considered to constitute a portion of the Assessments.

## ARTICLE 9 WASTE WATER TAP, AVAILABILITY AND SERVICE FEE

Section 9.01 Tap Fee. By virtue of their acceptance of title to any Lot, each Owner personally covenants and agrees to pay for the purchase of an individual sewage holding tank to be approved by the Developer or Architectural Review Committee together with the installation costs thereof.

Section 9.02 Monthly Minimum By virtue of its acceptance of title to any Lot, each Owner additionally personally covenants and agrees to pay to the Association on a monthly basis the current sum of \$50.00 in exchange for the supplying of waste water collection and treatment services as provided by the Association (the "Monthly Minimum"). The Monthly Minimum shall constitute and comprise a charge, assessment and lien against each Lot that shall run in favor of the Association. The Association reserves the right each year to increase the Monthly Minimum (a) by an amount equal to the greater of \$3.00 per month or any increase in the Consumer Price Index, (b) by an amount necessary to pay costs associated with any subsequently enacted or required Health Department, Department of Environmental Quality, or other federal, state or local rule or regulation, and/or (c) by any other objectively demonstrable increase in the operation of the Facilities.

Section 9.03 Agreement to Exclusively Use Services. Each Owner agrees to exclusively use the Association's waste water collection and treatment facility (the "Facility") as the Owner's sole source of waste water collection and treatment services (the "Services"). Each Owner further agrees that they will never use any other form of septic tank or other waste water collection or treatment service or facility.

Section 9.04 Billing; Late Fees. The Association shall invoice each Owner for the Monthly Minimum on or about the third (3rd) day of each month. Owners shall pay the Monthly Minimum in full on or before the tenth (10th) day of each month. If not paid by said date, the Association shall have the right to levy a late payment fee of \$15 per delinquency to reimburse the Association for its additional servicing and accounting costs. All invoices shall reflect the address to which Owner shall make payments. The Association may contract with a third party for operation and

maintenance of the Facility, and may delegate to such party the ability to invoice Owners directly for such services.

Section 9.05 Owner Default; Termination of Services. If Owner defaults in the payment obligations set forth herein for a period of thirty (30) days, the Association shall have the right to disconnect Owner's property from the Services and shall have the right to levy collection litigation against the Owner. Owner agrees to reimburse the Association for all legal fees and court costs incurred in connection with any such collection activity.

Section 9.06 Foreclosable Lien Right Reserved. There is hereby granted and reserved in favor of the Association a foreclosable lien against each and every Lot that the Association may exercise should any Owner fail to pay the Tap Fee or the Monthly Minimum as provided herein. The Association shall have the right to foreclose said lien only if any Lot owner has failed to pay the Owner's Monthly Minimum for a period of sixty (60) days after that date upon which the Monthly Minimum becomes past due and delinquent.

Section 9.07 Liens Subordinate to Third Party Lender Liens. All liens created in favor of the Association hereby shall be subordinate to prior bona fide liens of record which are filed of record by third party lenders. Reasonable attorney's fees incurred by the Association incident to the collection of Monthly Assessments or the enforcement of the liens provided herein, together with all sums advanced and paid by the Association for taxes and payments on account of superior mortgages, liens or encumbrances which may be required to be advanced by the Association in order to preserve and protect its lien, shall be secured by the liens provided for herein.

Section 9.08 Personal Obligation of Owners. Each Owner, by accepting ownership of his Lot personally covenants and agrees to pay the Owner's Monthly Minimum. The Association may take such action as it deems necessary to collect the Monthly Minimum by personal action or by enforcing and foreclosing the lien created hereunder pursuant to the same procedures applicable to the judicial or, if applicable, non-judicial foreclosure of real property mortgages or deeds of trust, and may settle and compromise the same if deemed in its best interest. The Association shall be entitled to bid at any sale held pursuant to a suit to foreclose a lien created hereby, and to apply as a cash credit against its bid all sums due, as provided herein and covered by the lien enforced.

Section 9.09 Exclusive Control Over Facility. Each Owner agrees and understands that the Association shall have the sole and exclusive right and responsibility for the operations of the Facilities in accordance with all applicable federal, state, local and other laws and regulations. Each Owner additionally agrees and understands that the Association shall have the exclusive authority to repair, maintain and replace all STEP tanks, pumps, controls and related and unrelated appurtenances that might be located upon any Owner's Lot, and the Owners are expressly prohibited from personally providing such repair and maintenance. The Association reserves the right to delegate the rights and responsibilities hereunder to a third party.

Section 9.10 Association Amendment Right. For a period of seven (7) years from and after the date of this covenant, the Association, with the express written consent of the Developer, shall have the right to modify, amend, extend and/or terminate the provisions of this covenant in the

Association's sole discretion, which modification or amendment shall relate back to the date of the filing of this instrument.

## ARTICLE 10 EXPANSION OR REDUCTION OF PROPERTY

Section 10.01 Reservation of Right to Expand. The Developer reserves the right to submit additional real property to the encumbrances created by this Declaration by means of filing one or more Supplemental Declarations of record in the Office of the Circuit Clerk and Ex-Officio Recorder for Washington County, Arkansas that, among other things, will expressly identify (a) the real property that the Developer submits hereunder, (b) additional covenants, conditions, easements and restrictions that may pertain uniquely to the expanded property, (c) additional Lots, Common Areas, Restricted Common Areas and other specifically identified properties (collectively, the "Expansion Property"). Expansion Property may be added in stages by successive supplements or in one (1) supplemental expansion. The Expansion Property shall be subject to all of the terms and conditions of this Declaration, unless limitations and reservations are expressly provided to the contrary.

Section 10.02 Reservation of Right to Remove. By amendment or supplement to this Declaration, the Developer hereby reserves the absolute right at any time to unilaterally remove from the effect and control of this Declaration any portion of the Property which the Developer has not sold or conveyed, whether platted or unplatted (the "Removed Property"). Any such removal shall be by Supplemental Declaration filed of record in the manner set forth above and shall be effective on the date so filed of record.

## ARTICLE 11 DURATION OF DECLARATION; AMENDMENT

Section 11.01 Term. The covenants, conditions, restrictions and easements set forth in this Declaration shall run with and bind the Property until December 31, 2035, after which time they shall be automatically extended for successive periods of ten (10) years each unless terminated at the expiration of any such period by a vote of the Members as set forth in Section 11.03 below.

Section 11.02 Amendment During the Developer Control Period. During the Developer Control Period, the Developer expressly reserves the right to unilaterally modify and amend any of the terms, conditions or provisions of this Declaration at any time and for any purpose upon the filing of record of a Supplemental Declaration that is executed solely by the Developer. Thereafter, the Developer may modify or amend the terms, conditions or provisions of this Declaration at any time so as to resolve any ambiguity that may be contained herein or that might be required to assure comply with rules and regulations that imposed by any national home loan originator or federal, state or local governmental authority.

Section 11.03 Amendment after Developer Control Period After the Developer Control Period, this Declaration may be amended by a Supplemental Declaration that is signed by the Members holding a majority of votes possible to be cast under this Declaration and the Developer if

it then owns any Lots. This Declaration may be additionally amended by a Supplemental Declaration signed by the Members holding at least sixty-six and two-thirds percent ( $66\frac{2}{3}\%$ ) of the votes possible to be cast under this Declaration. Proper approval of all amendments shall be shown by a certificate of the Secretary of the Association, attached to the Supplemental Declaration to be recorded, certifying that the signature of the Developer or, if required, the signatures of a sufficient number of Members approving the amendment, are on file in the office of the Association. No amendment shall be effective until the Supplemental Declaration setting forth the approved amendment is recorded in the Office of the Circuit Clerk and Ex-Officio Recorder for Washington County, Arkansas.

Section 11.04 Revocation: Termination. This Declaration shall not be revoked or terminated at any time without the affirmative vote of at least sixty-six and two-thirds percent ( $66\frac{2}{3}\%$ ) of the votes of the Members possible to be cast under this Declaration and, during the Developer Control Period, the express written approval of the Developer.

## ARTICLE 12 GENERAL PROVISIONS

Section 12.01 Enforcement. Except as otherwise provided herein, the Association or the Board of Directors, the Developer and every Owner of a Lot has the right and power to enforce, by a proceeding at law or in equity, all conditions, covenants, restrictions and easements set forth in this Declaration. Failure of the Association or the Board of Directors, the Developer or any Owner to enforce any covenant or restriction contained herein shall not be deemed a waiver of the right to do so at a subsequent time.

Section 12.02 Severability. If any provision of this Declaration, or the application hereof to any circumstance, is held to be invalid or unenforceable to any extent, the remainder of this Declaration and its application to other persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

Section 12.03 Rule against Perpetuities. Notwithstanding anything in this Declaration to the contrary, the creation of all interests under this Declaration shall vest, if at all, within the period of time measured by the life of the survivor of the now living children of Prince Charles, Prince of Wales, plus twenty-one (21) years.

Section 12.04 Conflicts Between Documents. If this Declaration conflicts, in any way, with the Articles or Bylaws, this Declaration shall control.

Section 12.05 Developer's Right to Assign. The Developer may, by appropriate agreement made expressly for that purpose, assign or convey to a Successor Developer all, or any part, of the rights, reservations and privileges herein reserved by the Developer. Upon recording of the assignment in the Office of the Circuit Clerk and Ex-Officio Recorder of Washington County, Arkansas, the Developer's rights and obligations under this Declaration shall cease and terminate to the extent provided in such document. Every Successor Developer shall have the rights of the Developer, including the right to transfer such rights set forth in this Section 12.05.

Section 12.06 Release of Liability. Neither the Developer, the Association, the Board of Directors or the any members of the Architectural Review Committee, nor their respective officers, directors, stockholders, members, employees or agents, shall be liable to any Owner, Member or other person for any discretionary action taken or not taken under the terms hereof including, without limitation, approval, disapproval or failure to approve of any application or enforcement or non-enforcement of the terms hereof.

Section 12.07 Indemnification. To the fullest extent permitted by law, every director and officer of the Association, all members of the Architectural Review Committee and the Developer and its agents and employees (to the extent a claim may be brought against the Developer by reason of its election, appointment, removal or control over directors of the Association Board, its officers or members or the Architectural Review Committee) shall be indemnified by the Association, and every other person serving as an employee or direct agent of the Association or on behalf of the Association as a member of a committee or otherwise, may, in the discretion of the Board of the Association, be indemnified by the Association against all liabilities, damages, costs and expenses, including reasonable attorneys' fees and costs, incurred by or imposed upon him or her in connection with any proceeding or any settlement thereof to which he or she may be a party, or in which he or she may become involved, by reason of his or her being or having served in such capacity on behalf of the Association (or, in the case of the Developer, by reason of having elected, appointed, removed or controlled, or failed to control, officers or directors of the Association or members of the Architectural Review Committee) whether or not he or she is a director, an officer or a member of the Architectural Review Committee, or serving in such other specified capacity at the time such expenses are incurred; provided, however, that prior to agreeing to any such indemnification, the Association's Board shall determine, in good faith, that such officer, director, member of the Architectural Review Committee or other person, or the Developer, did not act, fail to act or refuse to act, willfully, or with gross negligence, or with fraudulent or criminal intent, in the performance of his, her or its duties. The foregoing rights of indemnification shall be in addition to and not exclusive of all other rights to which such persons may be entitled at law or otherwise.
